TOTAL ACCESS™

CYBEX®

Where there is a need, there is a

CYBEX FIT

CYBEX PASSION Our enthusiasm for fitness began more than 50 years ago when we combined biomechanics, ergonomics and performance to bring innovation, durability and convenience to the world of fitness. As the industry leader, it is no surprise that we embraced the new Inclusive Fitness Initiative (IFI) in the UK and now bring our Total Access products to the rest of the world. Total Access focuses on the health and fitness needs of people with disabilities and provides solutions to the barriers many have previously experienced when trying to access fitness services and equipment. This unique product line allows us to develop and supply appropriate products needed to offer a superior fitness experience to all of your prospective members.

CYBEX SOLUTIONS We are here to help you build a successful business. Beyond providing you with top-notch fitness

equipment, we are experts at providing custom-designed financing solutions for all aspects of your business. This means, in addition to our fitness equipment, we can help you finance items such as lockers, flooring, entertainment solutions, furniture, tanning beds, children's playground equipment, computers, phones, signage and much more. We will even consider financing a percentage of your remodeling costs. You and your customers can reach your goals with CYBEX.
